## Summary of Benefits

### Footnotes

---

- <sup>1</sup> All Benefits must be provided or authorized by your Personal Physician and/or the Medical Group/IPA except in an emergency or as otherwise specified.  
Unless otherwise specified, Copayments are calculated based on Allowed Charges.
- <sup>2</sup> If your Plan includes a Plan Deductible as shown on the Summary of Benefits, before the Plan provides Benefit payments for the covered facility Services to which the Deductible applies, the Deductible must be satisfied once during the Contract Year by or on behalf of each Member separately. Payments applied to your Contract Year Deductible accrue towards the Member maximum Contract Year Copayment.
- <sup>3</sup> The Member maximum Contract Year Copayment applies to all covered Services except for: Outpatient routine newborn circumcision; Durable Medical Equipment; Access+ Specialist office visits including visits for Mental Health Services; Internet based consultations; and, the following optional Benefits: Outpatient prescription drugs; additional Infertility Benefits; chiropractic Services; acupuncture Services; and, vision plan and dental plan Benefits, if covered under this Plan.
- <sup>4</sup> For care received by a Participating Hospice Agency, see Hospice Program Benefits in the Plan Benefits section.
- <sup>5</sup> Home infusion injectable medications require prior authorization by Blue Shield and must be obtained from Home Infusion Agencies. See Home Infusion/Home Injectable Therapy Benefits in the Plan Benefits section for details. See the Outpatient Prescription Drug Benefits Supplement for coverage of home self-administered injectable medications.
- <sup>6</sup> Skilled nursing Services are limited to 100 days during any Contract Year except when received through a Hospice Program provided by a Participating Hospice Agency. This 100-day maximum for skilled nursing Services is a combined maximum between Hospital and Skilled Nursing Facilities.
- <sup>7</sup> The MHSA is a specialized health care service plan contracted by Blue Shield of California to administer all Mental Health Services.
- <sup>8</sup> No benefits are provided for Substance Abuse Conditions, unless substance abuse coverage is selected as an optional Benefit by your Employer. Note: Inpatient Services which are Medically Necessary to treat the acute medical complications of detoxification are covered as part of the medical Benefits and are not considered to be treatment of the Substance Abuse Condition itself.
- <sup>9</sup> For Outpatient Partial Hospitalization Services, an episode of care is the date from which the patient is admitted to the Partial Hospitalization Program to the date the patient is discharged or leaves the Partial Hospitalization Program. Any Services received between these two dates would constitute the episode of care. If the patient needs to be readmitted at a later date, this would constitute another episode of care.

Note: Copayments and charges for Services not accruing to the Member maximum Contract Year Copayment continue to be the Member's responsibility after the Contract Year Copayment maximum is reached.

Note: All Services except those meeting the Emergency and Urgent Services requirements must have prior approval by the Personal Physician, Medical Group/IPA or MHSA, including those the Member obtains after the maximum Contract Year Copayment has been met. The Member will be responsible for payment of services that are not authorized, those that are not an Emergency or covered Urgent Service procedure, or Mental Health Services not authorized by the MHSA. Members must obtain Services from the Plan Providers that are authorized by their Personal Physician. For urgent care while in the Personal Physician Service Area, Members must first call the Personal Physician. However, Members may go directly to an urgent care center when the assigned Medical Group/IPA has provided instructions about obtaining care from an urgent care clinic in the Personal Physician Service Area. See How to Use Your Health Plan.

# The Blue Shield Access+ HMO Health Plan

## Combined Evidence of Coverage and Disclosure Form

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

### YOUR INTRODUCTION TO THE BLUE SHIELD ACCESS+ HMO HEALTH PLAN

Your interest in the Blue Shield Access+ HMO Health Plan is truly appreciated. Blue Shield has served California for over 60 years, and we look forward to serving your health care needs.

By choosing this Health Maintenance Organization (HMO), you've selected some significant differences from not only the other health care coverage provided by Blue Shield, but also from that of most other health plans.

Unlike some HMOs, the Access+ HMO offers you a health Plan with a wide choice of Physicians, Hospitals and Non-Physician Health Care Practitioners. Access+ HMO Members may also take advantage of special features such as Access+ Specialist and Access+ Satisfaction. These features are described fully in this booklet.

You will be able to select your own Personal Physician from the Blue Shield HMO Physician and Hospital Directory of general practitioners, family practitioners, internists, obstetricians/gynecologists, and pediatricians. Each of your eligible Family members may select a different Personal Physician.

Note: If your Plan has a per Member Contract Year Deductible requirement for facility Services, as listed on the Summary of Benefits, then the Contract Year Deductible must be satisfied for those Services to which it applies before the Plan will provide Benefit payments for those covered Services.

To determine whether a provider is a Plan Provider, consult the Blue Shield HMO Physician and Hospital Directory. You may also verify this information by accessing Blue Shield's Internet site located at <http://www.blueshieldca.com>, or by calling Member Services at the telephone number provided on the back page of this booklet. Note: A Plan Provider's status may change. It is your obligation to verify whether the provider you choose is a Plan Provider, in case there have been any changes since your directory was published.

All covered Services must be provided by or arranged through your Personal Physician, except for the following:

- Services received during an Access+ Specialist visit,
- OB/GYN Services provided by an obstetrician/gynecologist or family practice Physician within the same Medical Group/IPA as your Personal Physician,

- Urgent care provided in your Personal Physician Service Area by an urgent care clinic when instructed by your assigned Medical Group/IPA,
- Emergency Services, or
- Mental Health Services.\*

\*See the Mental Health Services paragraphs in the How to Use Your Health Plan section for information.

Note: A decision will be rendered on all requests for prior authorization of services as follows:

- for Urgent Services and in-area urgent care, as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request;
- for other services, within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Member within 2 business days of the decision.

You will have the opportunity to be an active participant in your own health care. We'll help you make a personal commitment to maintain and, where possible, improve your health status. Like you, we believe that maintaining a healthy lifestyle and preventing illness are as important as caring for your needs when you are ill or injured.

As a partner in health with Blue Shield, you will receive the benefit of Blue Shield's commitment to service, an unparalleled record of more than 60 years.

Please review this booklet which summarizes the coverage and general provisions of the Blue Shield Access+ HMO.

If you have any questions regarding the information, you may contact us through our Member Services Department at the number provided on the last page of this booklet.

## CHOICE OF PHYSICIANS AND PROVIDERS

### SELECTING A PERSONAL PHYSICIAN

A close Physician-patient relationship is an important ingredient that helps to ensure the best medical care. Each Member is therefore required to select a Personal Physician at the time of enrollment. This decision is an important one because your Personal Physician will:

1. Help you decide on actions to maintain and improve your total health;

2. Coordinate and direct all of your medical care needs;
3. Work with your Medical Group/IPA to arrange your referrals to Specialty Physicians, Hospitals and all other health Services, including requesting any prior authorization you will need;
4. Authorize Emergency Services when appropriate;
5. Prescribe those lab tests, X-rays and Services you require;
6. If you request it, assist you in obtaining prior approval from the Mental Health Service Administrator (MHSA) for Mental Health Services\*; and,

\*See the Mental Health Services paragraphs in the How to Use Your Health Plan section for information.

7. Assist you in applying for admission into a Hospice Program through a Participating Hospice Agency when necessary.

To ensure access to Services, each Member must select a Personal Physician who is located sufficiently close to the Member's home or work address to ensure reasonable access to care, as determined by Blue Shield. If you do not select a current Personal Physician at the time of enrollment, the Plan will designate a Personal Physician for you and you will be notified. This designation will remain in effect until you notify the Plan of your selection of a different Personal Physician.

A Personal Physician must also be selected for a newborn or child placed for adoption, preferably prior to birth or adoption but always within 31 days from the date of birth or placement for adoption. You may designate a pediatrician as the Personal Physician for your child. The Personal Physician selected for the month of birth must be in the same Medical Group or IPA as the mother's Personal Physician when the newborn is the natural child of the mother. If the mother of the newborn is not enrolled as a Member or if the child has been placed with the Subscriber for adoption, the Personal Physician selected must be a Physician in the same Medical Group or IPA as the Subscriber. If you do not select a Personal Physician within 31 days following the birth or placement for adoption, the Plan will designate a Personal Physician from the same Medical Group or IPA as the natural mother or the Subscriber. This designation will remain in effect for the first calendar month during which the birth or placement for adoption occurred. If you want to change the Personal Physician for the child after the month of birth or placement for adoption, see the paragraphs below on Changing Personal Physicians or Designated Medical Group or IPA. If your child is ill during the first month of coverage, be sure to read the information about changing Personal Physicians during a course of treatment or hospitalization.

Remember that if you want your child covered beyond the 31 days from the date of birth or placement for adoption, you must submit a written application as explained in the Eligibil-

ity section of this Evidence of Coverage and Disclosure Form.

## **ROLE OF THE MEDICAL GROUP OR IPA**

Most Blue Shield Access+ HMO Personal Physicians contract with Medical Groups or IPAs to share administrative and authorization responsibilities with them. (Of note, some Personal Physicians contract directly with Blue Shield.) Your Personal Physician coordinates with your designated Medical Group/IPA to direct all of your medical care needs and refer you to Specialists or Hospitals within your designated Medical Group/IPA unless because of your health condition, care is unavailable within the Medical Group/IPA.

Your designated Medical Group/IPA (or Blue Shield when noted on your identification card) ensures that a full panel of Specialists is available to provide for your health care needs and helps your Personal Physician manage the utilization of your health Plan Benefits by ensuring that referrals are directed to Providers who are contracted with them. Medical Groups/IPAs also have admitting arrangements with Hospitals contracted with Blue Shield in their area and some have special arrangements that designate a specific Hospital as "in network." Your designated Medical Group/IPA works with your Personal Physician to authorize Services and ensure that that Service is performed by their in network Provider.

The name of your Personal Physician and your designated Medical Group/IPA (or, "Blue Shield Administered") is listed on your Access+ HMO identification card. The Blue Shield HMO Member Services Department can answer any questions you may have about changing the Medical Group/IPA designated for your Personal Physician and whether the change would affect your ability to receive Services from a particular Specialist or Hospital.

## **CHANGING PERSONAL PHYSICIANS OR DESIGNATED MEDICAL GROUP OR IPA**

You or your Dependent may change Personal Physicians or designated Medical Group/IPA by calling the Member Services Department at the number provided on the last page of this booklet or submitting a Member Change Request Form to the Member Services Department. Some Personal Physicians are affiliated with more than one Medical Group/IPA. If you change to a Medical Group/IPA with no affiliation to your Personal Physician, you must select a new Personal Physician affiliated with the new Medical Group/IPA and transition any specialty care you are receiving to Specialists affiliated with the new Medical Group/IPA. The change will be effective the first day of the month following notice of approval by Blue Shield.

Once your Personal Physician change is effective, all care must be provided or arranged by the new Personal Physician, except for OB/GYN Services provided by an obstetrician/gynecologist or family practice Physician within the same Medical Group/IPA as your Personal Physician and Access+ Specialist visits. Once your Medical Group/IPA

change is effective, all previous authorizations for specialty care or procedures are no longer valid and must be transitioned to specialists affiliated with the new Medical Group/IPA, even if you remain with the same Personal Physician. Member Services will assist you with the timing and choice of a new Personal Physician or Medical Group/IPA.

Voluntary Medical Group/IPA changes are not permitted during the third trimester of pregnancy or while confined to a Hospital. The effective date of your new Medical Group/IPA will be the first of the month following discharge from the Hospital, or when pregnant, following the completion of postpartum care.

Additionally, changing your Personal Physician or designated Medical Group/IPA during a course of treatment may interrupt your health care. For this reason, the effective date of your new Personal Physician or designated Medical Group/IPA, when requested during a course of treatment, will be the first of the month following the date it is medically appropriate to transfer your care to your new Personal Physician or designated Medical Group/IPA, as determined by the Plan.

Exceptions must be approved by the Blue Shield Medical Director. For information about approval for an exception to the above provision, please contact Member Services.

If your Personal Physician discontinues participation in the Plan, Blue Shield will notify you in writing and designate a new Personal Physician for you in case you need immediate medical care. You will also be given the opportunity to select a new Personal Physician of your own choice within 15 days of this notification. Your selection must be approved by Blue Shield prior to receiving any Services under the Plan.

## **CONTINUITY OF CARE BY A TERMINATED PROVIDER**

Members who are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate postpartum care), or terminal illness; or who are children from birth to 36 months of age; or who have received authorization from a now-terminated provider for surgery or another procedure as part of a documented course of treatment can request completion of care in certain situations with a provider who is leaving the Blue Shield provider network. Contact Member Services to receive information regarding eligibility criteria and the policy and procedure for requesting continuity of care from a terminated provider.

## **CONTINUITY OF CARE FOR NEW MEMBERS BY NON-CONTRACTING PROVIDERS**

Newly covered Members who are being treated for acute conditions, serious chronic conditions, pregnancies (including immediate postpartum care), or terminal illness; or who are children from birth to 36 months of age; or who have received authorization from a provider for surgery or another procedure as part of a documented course of treatment can

request completion of care in certain situations with a non-contracting provider who was providing services to the Member at the time the Member's coverage became effective under this Plan. Contact Member Services to receive information regarding eligibility criteria and the written policy and procedure for requesting continuity of care from a non-contracting provider.

## **RELATIONSHIP WITH YOUR PERSONAL PHYSICIAN**

The Physician-patient relationship you and your Personal Physician establish is very important. The best effort of your Personal Physician will be used to ensure that all Medically Necessary and appropriate professional Services are provided to you in a manner compatible with your wishes.

If your Personal Physician recommends procedures or treatments which you refuse, or you and your Personal Physician fail to establish a satisfactory relationship, you may select a different Personal Physician. Member Services can assist you with this selection.

Your Personal Physician will advise you if he believes that there is no professionally acceptable alternative to a recommended treatment or procedure. If you continue to refuse to follow the recommended treatment or procedure, Member Services can assist you in the selection of another Personal Physician.

Repeated failures to establish a satisfactory relationship with a Personal Physician may result in termination of your coverage, but only after you have been given access to other available Personal Physicians and have been unsuccessful in establishing a satisfactory relationship. Any such termination will take place in accordance with written procedures established by Blue Shield and only after written notice to the Member which describes the unacceptable conduct provides the Member with an opportunity to respond and warns the Member of the possibility of termination.

## **HOW TO USE YOUR HEALTH PLAN**

### **USE OF PERSONAL PHYSICIAN**

At the time of enrollment, you will choose a Personal Physician who will coordinate all Covered Services. You must contact your Personal Physician for all health care needs including preventive Services, routine health problems, consultations with Plan Specialists (except as provided under Obstetrical/Gynecological (OB/GYN) Physician Services, Access+ Specialist, and Mental Health Services), admission into a Hospice Program through a Participating Hospice Agency, Emergency Services, Urgent Services and for hospitalization.

The Personal Physician is responsible for providing primary care and coordinating or arranging for referral to other necessary health care Services and requesting any needed prior authorization. You should cancel any scheduled appointments at least 24 hours in advance. This policy applies to

appointments with or arranged by your Personal Physician or the MHSA and self-arranged appointments to an Access+ Specialist or for OB/GYN Services. Because your Physician has set aside time for your appointments in a busy schedule, you need to notify the office within 24 hours if you are unable to keep the appointment. That will allow the office staff to offer that time slot to another patient who needs to see the Physician. Some offices may advise you that a fee (not to exceed your Copayment) will be charged for missed appointments unless you give 24-hour advance notice or missed the appointment because of an emergency situation.

If you have not selected a Personal Physician for any reason, you must contact Member Services at the number provided on the last page of this booklet, Monday through Friday, between 8 a.m. and 5 p.m. to select a Personal Physician to obtain Benefits.

## **OBSTETRICAL/GYNECOLOGICAL (OB/GYN) PHYSICIAN SERVICES**

A female Member may arrange for obstetrical and/or gynecological (OB/GYN) Services by an obstetrician/gynecologist or family practice Physician who is not her designated Personal Physician. A referral from your Personal Physician or from the affiliated Medical Group or IPA is not needed. However, the obstetrician/gynecologist or family practice Physician must be in the same Medical Group/IPA as her Personal Physician.

Obstetrical and gynecological Services are defined as:

- Physician services related to prenatal, perinatal and postnatal (pregnancy) care,
- Physician services provided to diagnose and treat disorders of the female reproductive system and genitalia,
- Physician services for treatment of disorders of the breast,
- Routine annual gynecological examinations/annual well-woman examinations.

It is important to note that services by an OB/GYN or family practice Physician outside of the Personal Physician's Medical Group or IPA without authorization will not be covered under this Plan. Before making the appointment, the Member should call the Member Services Department at the number provided on the last page of this booklet to confirm that the OB/GYN or family practice Physician is in the same Medical Group/IPA as her Personal Physician.

The OB/GYN Physician Services are separate from the Access+ Specialist feature described below.

## **REFERRAL TO SPECIALTY SERVICES**

Although self-referrals to Plan Specialists are allowed through the Access+ Specialist feature described below, Blue Shield encourages you to receive specialty Services through a referral from your Personal Physician. The Personal Physi-

cian is responsible for coordinating all of your health care needs and can best direct you for required specialty Services. Your Personal Physician will generally refer you to a Plan Specialist or Plan Non-Physician Health Care Practitioner in the same Medical Group or IPA as your Personal Physician, but you can be referred outside the Medical Group or IPA if the type of specialist or Non-Physician Health Care Practitioner needed is not available within your Personal Physician's Medical Group or IPA. Your Personal Physician will request any necessary prior authorization from your Medical Group/IPA. For Mental Health Services, see the Mental Health Services paragraphs in the How to Use Your Health Plan section for information regarding how to access care. The Plan Specialist or Plan Non-Physician Health Care Practitioner will provide a complete report to your Personal Physician so that your medical record is complete.

To obtain referral for specialty Services, including lab and X-ray, you must first contact your Personal Physician. If the Personal Physician determines that specialty Services are Medically Necessary, the Physician will complete a referral form and request necessary authorization. Your Personal Physician will designate the Plan Provider from whom you will receive Services.

When no Plan Provider is available to perform the needed Service, the Personal Physician will refer you to a non-Plan Provider after obtaining authorization. This authorization procedure is handled for you by your Personal Physician. Specialty Services are subject to all of the benefit and eligibility provisions, exclusions and limitations described in this booklet. You are responsible for contacting Blue Shield to determine that services are Covered Services, before such services are received.

## **SECOND MEDICAL OPINION**

If there is a question about your diagnosis, plan of care, or recommended treatment, including surgery, or if additional information concerning your condition would be helpful in determining the diagnosis and the most appropriate plan of treatment, or if the current treatment plan is not improving your medical condition, you may ask your Personal Physician to refer you to another Physician for a second medical opinion. The second opinion will be provided on an expedited basis, where appropriate. If you are requesting a second opinion about care you received from your Personal Physician, the second opinion will be provided by a Physician within the same Medical Group/IPA as your Personal Physician. If you are requesting a second opinion about care received from a specialist, the second opinion may be provided by any Plan Specialist of the same or equivalent specialty. All second opinion consultations must be authorized. Your Personal Physician may also decide to offer such a referral even if you do not request it. State law requires that health plans disclose to Members, upon request, the timelines for responding to a request for a second medical opinion. To request a copy of these timelines, you may call the Member Services Department at the number provided on the last page of this booklet.

If your Personal Physician belongs to a Medical Group or IPA that participates as an Access+ Provider, you may also arrange a second opinion visit with another Physician in the same Medical Group or IPA without a referral, subject to the limitations described in the Access+ Specialist paragraphs later in this section.

## **ACCESS+ SPECIALIST**

You may arrange an office visit with a Plan Specialist in the same Medical Group or IPA as your Personal Physician without a referral from your Personal Physician, subject to the limitations described below. Access+ Specialist office visits are available only to Members whose Personal Physicians belong to a Medical Group or IPA that participates as an Access+ Provider. Refer to the HMO Physician and Hospital Directory or call Blue Shield Member Services at the number provided on the last page of this booklet to determine whether a Medical Group or IPA is an Access+ Provider.

When you arrange for Access+ Specialist visits without a referral from your Personal Physician, you will be responsible for the Copayment listed in the Summary of Benefits for each Access+ Specialist visit. This Copayment is in addition to any Copayments that you may incur for specific Benefits as described in the Summary of Benefits. Each follow-up office visit with the Plan Specialist which is not referred or authorized by your Personal Physician is a separate Access+ Specialist visit and requires a separate Copayment.

You should cancel any scheduled Access+ Specialist appointment at least 24 hours in advance. Unless you give 24-hour advance notice or miss the appointment because of an emergency situation, the Physician's office may charge you a fee as much as the Access+ Specialist Copayment.

Note: When you receive a referral from your Personal Physician to obtain services from a specialist, you are responsible for the Copayment listed in the Summary of Benefits for Professional (Physician) Benefits.

Note: For Access+ Specialist visits for Mental Health Services, see the following Mental Health Services paragraphs.

The Access+ Specialist visit includes:

1. An examination or other consultation provided to you by a Medical Group or IPA Plan Specialist without referral from your Personal Physician;
2. Conventional X-rays such as chest X-rays, abdominal flat plates, and X-rays of bones to rule out the possibility of fracture (but does not include any diagnostic imaging such as CT, MRI, or bone density measurement);
3. Laboratory Services;
4. Diagnostic or treatment procedures which a Plan Specialist would regularly provide under a referral from the Personal Physician.

An Access+ Specialist visit does not include:

1. Any services which are not covered or which are not Medically Necessary;
2. Services provided by a non-Access+ Provider (such as podiatry and Physical Therapy), except for the X-ray and laboratory Services described above;
3. Allergy testing;
4. Endoscopic procedures;
5. Any diagnostic imaging including CT, MRI, or bone density measurement;
6. Injectables, chemotherapy, or other infusion drugs, other than vaccines and antibiotics;
7. Infertility Services;
8. Emergency Services;
9. Urgent Services;
10. Inpatient Services, or any Services which result in a facility charge, except for routine X-ray and laboratory Services;
11. Services for which the Medical Group or IPA routinely allows the Member to self-refer without authorization from the Personal Physician;
12. OB/GYN Services by an obstetrician/gynecologist or family practice Physician within the same Medical Group/IPA as the Personal Physician;
13. Internet based consultations.

## **NURSEHELP 24/7 AND LIFE REFERRALS 24/7**

If you are unsure about what care you need, you should contact your Physician's office. In addition, your Plan includes a service, NurseHelp 24/7, which provides licensed health care professionals available to assist you by phone 24 hours a day, 7 days a week. You can call NurseHelp 24/7 for immediate answers to your health questions. Registered nurses are available 24 hours a day to answer any of your health questions, including concerns about:

1. Symptoms you are experiencing, including whether you need emergency care;
2. Minor illnesses and injuries;
3. Chronic conditions;
4. Medical tests and medications;
5. Preventive care.

If your Physician's office is closed, just call NurseHelp 24/7 at 1-877-304-0504. (If you are hearing impaired dial 711 for the relay service in California.) Or you can call Member Services at the telephone number listed on your identification card.

NurseHelp 24/7 and LifeReferrals 24/7 programs provide Members with no charge, confidential telephone support for information, consultations, and referrals for health and psychosocial issues. Members may obtain these services by calling a 24-hour, toll-free telephone number. There is no charge for these services.

These programs include:

NurseHelp 24/7 - Members may call a registered nurse toll free via 1-877-304-0504, 24 hours a day, to receive confidential advice and information about minor illnesses and injuries, chronic conditions, fitness, nutrition and other health related topics.

Psychosocial support through LifeReferrals 24/7 - Members may call 1-800-985-2405 on a 24-hour basis for confidential psychosocial support services. Professional counselors will provide support through assessment, referrals and counseling. Note: See the following Mental Health Services paragraphs for important information concerning this feature.

## MENTAL HEALTH SERVICES

Blue Shield of California has contracted with an MHSA to underwrite and deliver all Mental Health Services through a unique network of Mental Health Participating Providers. (See Mental Health Service Administrator under the Definitions section for more information.) All Non-Emergency Mental Health Services, except for Access+ Specialist visits, must be arranged through the MHSA. Members do not need to arrange for Mental Health Services through their Personal Physician. (See 1. Prior Authorization paragraphs below.)

All Mental Health Services, except for Emergency or Urgent Services, must be provided by an MHSA network Participating Provider. MHSA Providers are indicated in the Blue Shield of California Behavioral Health Provider Directory. Members may contact the MHSA directly for information on, and to select an MHSA Provider by calling 1-877-263-9952. Your Personal Physician may also contact MHSA to obtain information regarding MHSA network Participating Providers for you.

Mental Health Services received from a Provider who does not participate in the MHSA Participating Provider network will not be covered, except as stated herein, and all charges for these services will be the Member's responsibility. This limitation does not apply with respect to Emergency Services. In addition, when no MHSA Participating Provider is available to perform the needed Service, the MHSA will refer you to a non-Plan Provider and authorize Services to be received.

For complete information regarding Benefits for Mental Health Services, see Mental Health Benefits in the Plan Benefits section.

### 1. Prior Authorization

All Non-Emergency Mental Health Services must be prior authorized by the MHSA. For prior authorization of Mental

Health Services, the Member should contact the MHSA at 1-877-263-9952.

Failure to receive prior authorization for Mental Health Services as described, except for Emergency and Urgent Services, will result in the Member being totally responsible for all costs for these services.

Note: The MHSA will render a decision on all requests for prior authorization of services as follows:

- for Urgent Services, as soon as possible to accommodate the Member's condition not to exceed 72 hours from receipt of the request;
- for other services, within 5 business days from receipt of the request. The treating provider will be notified of the decision within 24 hours followed by written notice to the provider and Member within 2 business days of the decision.

### 2. Access+ Specialist visits for Mental Health Services

The Access+ Specialist feature is available for all Mental Health Services except for psychological testing and written evaluation which are not covered under this Benefit.

The Member may arrange for an Access+ Specialist office visit for Mental Health Services without a referral from the MHSA, as long as the Provider is an MHSA Participating Provider. Refer to the Blue Shield of California Behavioral Health Provider Directory or call the MHSA Member Services at 1-877-263-9952 to determine the MHSA Participating Providers. Members will be responsible for the Copayment listed in the Summary of Benefits for each Access+ Specialist visit for Mental Health Services. This Copayment is in addition to any Copayments that you may incur for specific Benefits as described in the Summary of Benefits. Each follow-up office visit for Mental Health Services which is not referred or authorized by the MHSA is a separate Access+ Specialist visit and requires a separate Copayment.

### 3. Psychosocial Support through LifeReferrals 24/7

Notwithstanding the Benefits provided under Mental Health Benefits in the Plan Benefits section, the Member also may call 1-800-985-2405 on a 24-hour basis for confidential psychosocial support services. Professional counselors will provide support through assessment, referrals and counseling.

In California, support may include, as appropriate, a referral to a counselor for a maximum of three no charge, face-to-face visits within a 6-month period.

In the event that the Services required of a Member are most appropriately provided by a psychiatrist or the condition is not likely to be resolved in a brief treatment regimen, the Member will be referred to the MHSA intake line to access their Mental Health Services which are described under Mental Health Benefits in the Plan Benefits section.

## **EMERGENCY SERVICES**

Members who reasonably believe that they have an emergency medical condition which requires an emergency response are encouraged to appropriately use the “911” emergency response system where available.

Members should go to the closest Plan Hospital for Emergency Services whenever possible.

If you obtain Emergency Services, you should notify your Personal Physician within 24 hours after care is received unless it was not reasonably possible to communicate with the Personal Physician within this time limit. In such case, notice should be given as soon as possible.

An emergency means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in any of the following: (1) placing the Member’s health in serious jeopardy; (2) serious impairment to bodily functions; (3) serious dysfunction of any bodily organ or part. If you receive non-authorized services in a situation that Blue Shield determines was not a situation in which a reasonable person would believe that an emergency condition existed, you will be responsible for the costs of those services.

## **INPATIENT, HOME HEALTH CARE, HOSPICE PROGRAM AND OTHER SERVICES**

The Personal Physician is responsible for obtaining prior authorization before you can be admitted to the Hospital or a Skilled Nursing Facility, including Subacute Care admissions, except for Mental Health Services which are described in the previous Mental Health Services paragraphs. The Personal Physician is responsible for obtaining prior authorization before you can receive home health care and certain other Services or before you can be admitted into a Hospice Program through a Participating Hospice Agency. If the Personal Physician determines that you should receive any of these Services, he or she will request authorization. Your Personal Physician will arrange for your admission to the Hospital, Skilled Nursing Facility, or a Hospice Program through a Participating Hospice Agency as well as for the provision of home health care and other Services.

Note: For Hospital admissions for mastectomies or lymph node dissections, the length of Hospital stays will be determined solely by the Member’s Physician in consultation with the Member. For information regarding length of stay for maternity or maternity related Services, see Pregnancy and Maternity Care Benefits in the Plan Benefits section for information relative to the Newborns’ and Mothers’ Health Protection Act.

## **URGENT SERVICES**

The Blue Shield Access+ HMO provides coverage for you and your family for your urgent service needs when you or

your family are temporarily traveling outside of your Personal Physician Service Area.

Urgent Services are defined as those Covered Services rendered outside of the Personal Physician Service Area (other than Emergency Services) which are Medically Necessary to prevent serious deterioration of a Member’s health resulting from unforeseen illness, injury or complications of an existing medical condition, for which treatment can not reasonably be delayed until the Member returns to the Personal Physician Service Area.

Out-of-Area Follow-up Care is defined as non-emergent Medically Necessary out-of-area services to evaluate the Member’s progress after an initial Emergency or Urgent Service.

### **(Urgent care) While in your Personal Physician Service Area**

If you require urgent care for a condition that could reasonably be treated in your Personal Physician’s office or in an urgent care clinic (i.e., care for a condition that is not such that the absence of immediate medical attention could reasonably be expected to result in placing your health in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part), you must first call your Personal Physician. However, you may go directly to an urgent care clinic when your assigned Medical Group/IPA has provided you with instructions for obtaining care from an urgent care clinic in your Personal Physician Service Area.

### **Outside of California**

The Blue Shield Access+ HMO provides coverage for you and your family for your Urgent Service needs when you or your family are temporarily traveling outside of California. You can receive urgent care services from any provider; however, using the BlueCard® Program, described herein, can be more cost-effective and eliminate the need for you to pay for the services when they are rendered and submit a claim for reimbursement. Note: Authorization by Blue Shield is required for care that involves a surgical or other procedure or inpatient stay.

Out-of-Area Follow-up Care is covered and services may be received through the BlueCard® Program participating provider network or from any provider. However, authorization by Blue Shield is required for more than two Out-of-Area Follow-up Care outpatient visits. Blue Shield may direct the patient to receive the additional follow-up services from the Personal Physician.

### **Within California**

If you are temporarily traveling within California, but are outside of your Personal Physician Service Area, if possible you should call Blue Shield Member Services at the number provided on the last page of this booklet for assistance in receiving Urgent Services through a Blue Shield of California Plan Provider. You may also locate a Plan Provider by visiting our web site at <http://www.blueshieldca.com>. However,

you are not required to use a Blue Shield of California Plan Provider to receive Urgent Services; you may use any provider. Note: Authorization by Blue Shield is required for care that involves a surgical or other procedure or inpatient stay.

Follow-up care is also covered through a Blue Shield of California Plan Provider and may also be received from any provider. However, when outside your Personal Physician Service Area authorization by Blue Shield HMO is required for more than two Out-of-Area Follow-up Care outpatient visits. Blue Shield HMO may direct the patient to receive the additional follow-up services from the Personal Physician.

If services are not received from a Blue Shield of California Plan Provider, you may be required to pay the provider for the entire cost of the service and submit a claim to Blue Shield HMO. Claims for Urgent Services obtained outside of your Personal Physician Service Area within California will be reviewed retrospectively for coverage.

When you receive covered Urgent Services outside your Personal Physician within California, the amount you pay, if not subject to a flat dollar copayment, is calculated on Blue Shield's Allowed Charges.

## **BLUECARD PROGRAM**

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees") referred to generally as "Inter-Plan Programs." Whenever you obtain healthcare services outside of California, the claims for these services may be processed through one of these Inter-Plan Programs.

When you access Covered Services outside of California you may obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Plan"). In some instances, you may obtain care from non-participating healthcare providers. Blue Shield's payment practices in both instances are described below.

Under the BlueCard® Program, when you obtain Covered Services within the geographic area served by a Host Plan, Blue Shield will remain responsible for fulfilling our contractual obligations. However the Host Plan is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

The BlueCard Program enables you to obtain Covered Services outside of California, as defined, from a healthcare provider participating with a Host Plan, where available. The participating healthcare provider will automatically file a claim for the Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the member copayment and deductible amounts, if any, as stated in this booklet.

Whenever you access Covered Services outside of California and the claim is processed through the BlueCard Program, the

amount you pay for covered healthcare services, if not a flat dollar copayment, is calculated based on the lower of:

1. The billed covered charges for your covered services; or
2. The negotiated price that the Host Plan makes available to Blue Shield.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Plan pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or understatement of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price Blue Shield uses for your claim because they will not be applied retroactively to claims already paid.

Laws in a small number of states may require the Host Plan to add a surcharge to your calculation. If any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

Claims for Covered Emergency Services are paid based on the Allowed Charges as defined in this booklet.

### **Claims for Emergency and Out-of-Area Urgent Services**

1. Emergency

If Emergency Services were received and expenses were incurred by the Member for services other than medical transportation, the Member must submit a complete claim with the Emergency Service record for payment to the Plan, within 1 year after the first provision of Emergency Services for which payment is requested. If the claim is not submitted within this period, the Plan will not pay for those Emergency Services, unless the claim was submitted as soon as reasonably possible as determined by the Plan. If the services are not preauthorized, the Plan will review the claim retrospectively for coverage. If the Plan determines that the services received were for a medical condition for which a reasonable person would not reasonably believe that an emergency condition existed and would not otherwise have been authorized, and, therefore, are not covered, it will notify the Member of that determination. The Plan will notify the Member of its determination within 30 days from receipt of the claim. In the event covered medical transportation Services are obtained in such an emergency situation, the Blue Shield Access+ HMO shall pay the medical transportation provider directly.

## 2. Out-of-Area Urgent Services

If out-of-area Urgent Services were received from a non-participating BlueCard Program provider, you must submit a complete claim with the Urgent Service record for payment to the Plan, within 1 year after the first provision of Urgent Services for which payment is requested. If the claim is not submitted within this period, the Plan will not pay for those Urgent Services, unless the claim was submitted as soon as reasonably possible as determined by the Plan. The services will be reviewed retrospectively by the Plan to determine whether the services were Urgent Services. If the Plan determines that the services would not have been authorized, and therefore, are not covered, it will notify the Member of that determination. The Plan will notify the Member of its determination within 30 days from receipt of the claim.

### **MEMBER CONTRACT YEAR DEDUCTIBLE**

The following section only applies if your Plan has a Contract Year Deductible requirement for facility Services as listed on the Summary of Benefits.

The Contract Year Deductible is shown in the Summary of Benefits. The Contract Year Deductible applies only to facility charges for Inpatient Hospital Services, Skilled Nursing Facility Services, ambulatory surgery center Services and Outpatient Hospital surgery Services.

Before the Plan provides Benefit payments for the covered facility Services listed below, the Deductible must be satisfied once during the Contract Year by or on behalf of each Member separately. Note: The Deductible also applies to a newborn child or a child placed for adoption, who is covered for the first 31 days even if application is not made to add the child as a Dependent on the Plan. The Deductible applies to the following covered facility Services:

1. Inpatient Hospital Services;
2. Skilled Nursing Facility Services;
3. Ambulatory surgery center Services; and,
4. Outpatient Hospital Surgery Services.

After the Contract Year Deductible is satisfied for those Services to which it applies, the Plan will provide Benefit payments for those covered Services.

The Deductible is based on Allowed Charges.

Payments applied to your Contract Year Deductible accrue towards the Member maximum Contract Year Copayment.

### **NO MEMBER MAXIMUM LIFETIME BENEFITS**

There is no maximum limit on the aggregate payments by the Plan for covered Services provided under the Plan.\*

\*Surgical Services under the Limited Transgender Benefit are paid to a maximum lifetime benefit as shown in the Summary of Benefits.

### **NO ANNUAL DOLLAR LIMIT ON ESSENTIAL BENEFITS**

This Plan contains no annual dollar limits on essential benefits as defined by federal law.

### **MEMBER MAXIMUM CONTRACT YEAR COPAYMENT**

Your maximum Copayment responsibility each Contract Year for Covered Services is shown in the Summary of Benefits.

For all Plans, once a Member's maximum responsibility has been met\*, the Plan will pay 100% of Allowed Charges for that Member's covered Services for the remainder of that Contract Year, except as described below. Additionally, for Plans with a Member and a Family maximum responsibility, once the Family maximum responsibility has been met\*, the Plan will pay 100% of Allowed Charges for the Subscriber's and all covered Dependents' covered Services for the remainder of that Contract Year, except as described below.

\*Note: Certain Services are not included in the calculation of the maximum Contract Year Copayment. These items are shown on the Summary of Benefits.

Note that Copayments and charges for Services not accruing to the Member maximum Contract Year Copayment continue to be the Member's responsibility after the Contract Year Copayment maximum is reached.

If your Plan has a per Member Contract Year Deductible requirement for facility Services, as listed on the Summary of Benefits, payments applied to your Contract Year Deductible accrue towards the Member maximum Contract Year Copayment.

Note: It is your responsibility to maintain accurate records of your Copayments and to determine and notify Blue Shield when the Member maximum Contract Year Copayment responsibility has been reached.

You must notify Blue Shield Member Services in writing when you feel that your Member maximum Contract Year Copayment responsibility has been reached. At that time, you must submit complete and accurate records to Blue Shield substantiating your Copayment expenditures for the period in question. Member Services addresses and telephone numbers may be found on the last page of this booklet.

### **LIABILITY OF SUBSCRIBER OR MEMBER FOR PAYMENT**

It is important to note that all Services except for those meeting the Emergency and out-of-Service Area Urgent Services requirements, Access+ Specialist visits, Hospice Program Services received from a Participating Hospice Agency after the Member has been accepted into the Hospice Program, OB/GYN Services by an obstetri-

cian/gynecologist or family practice Physician who is in the same Medical Group/IPA as the Personal Physician, and all Mental Health Services, must have prior authorization by the Personal Physician or Medical Group/IPA. The Member will be responsible for payment of services that are not authorized or those that are not an Emergency or covered out-of-Service Area Urgent service procedures. (See the previous Urgent Services paragraphs for information on receiving Urgent Services out of the Service Area but within California.) Members must obtain Services from the Plan Providers that are authorized by their Personal Physician or Medical Group/IPA and, for all Mental Health Services, from MHSA Participating Providers. Hospice Services must be received from a Participating Hospice Agency.

If your condition requires Services which are available from the Plan, payment for services rendered by non-Plan Providers will not be considered unless the medical condition requires Emergency or Urgent Services.

### **LIMITATION OF LIABILITY**

Members shall not be responsible to Plan Providers for payment for Services if they are a Benefit of the Plan. When Covered Services are rendered by a Plan Provider, the Member is responsible only for the applicable Deductible/Copayments, except as set forth in the Third Party Liability section. Members are responsible for the full charges for any non-Covered Services they obtain.

If a Plan Provider ceases to be a Plan Provider, you will be notified if you are affected. The Plan will make every reasonable and medically appropriate provision to have another Plan Provider assume responsibility for Services to you. You will not be responsible for payment (other than Copayments) to a former Plan Provider for any authorized Services you receive. Once provisions have been made for the transfer of your care, services of a former Plan Provider are no longer covered.

### **UTILIZATION REVIEW**

State law requires that health plans disclose to Subscribers and health Plan Providers the process used to authorize or deny health care services under the Plan.

Blue Shield has completed documentation of this process ("Utilization Review") as required under Section 1363.5 of the California Health and Safety Code.

To request a copy of the document describing this Utilization Review process, call the Member Services Department at the number listed in the back of this booklet.

### **PLAN SERVICE AREA**

The Plan Service Area of this Plan is identified in the HMO Physician and Hospital Directory. You and your eligible Dependents must live or work in the Plan Service Area identified in those documents to enroll in this Plan and to maintain eligibility in this Plan.

### **ELIGIBILITY**

If you are an Employee and reside or work in the Plan Service Area, you are eligible for coverage as a Subscriber the day following the date you complete the applicable waiting period established by your Employer. Your spouse or Domestic Partner and all your Dependent children who live or work in the Plan Service Area are eligible at the same time. (Special arrangements may be available for Dependents who are full-time students, Dependents of Subscribers who are required by court order to provide coverage, and Dependents and Subscribers who are long-term travelers. Please contact your Member Services Department to request an Away From Home Care® (AFHC) Program Brochure which explains these arrangements including how long AFHC coverage is available. This brochure is also available at <https://www.blueshieldca.com> for HMO Members.)

When you do not enroll yourself or your Dependents during the initial enrollment period and later apply for coverage, you and your Dependents will be considered to be Late Enrollees. When Late Enrollees decline coverage during the initial enrollment period, they will be eligible the earlier of, 12 months from the date of application for coverage or at the Employer's next Open Enrollment Period. Blue Shield will not consider applications for earlier effective dates.

You and your Dependents will not be considered to be Late Enrollees if either you or your Dependents lose coverage under another employer health plan and you apply for coverage under this Plan within 31 days of the date of loss of coverage. You will be required to furnish Blue Shield written proof of the loss of coverage.

Newborn infants of the Subscriber, spouse or his or her Domestic Partner will be eligible immediately after birth for the first 31 days. A child placed for adoption will be eligible immediately upon the date the Subscriber, spouse or Domestic Partner has the right to control the child's health care. Enrollment requests for children who have been placed for adoption must be accompanied by evidence of the Subscriber's, spouse's or Domestic Partner's right to control the child's health care. Evidence of such control includes a health facility minor release report, a medical authorization

form, or a relinquishment form. In order to have coverage continue beyond the first 31 days without lapse, an application must be submitted to and received by Blue Shield within 31 days of the birth or placement for adoption. Eligibility during the first 31 days includes coverage for treatment of injury or illness only but does not include well-baby care Benefits unless the child is enrolled. Well-baby care Benefits are provided for enrolled children.

A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship, if an application is submitted within 31 days of becoming eligible.

You may add newly acquired Dependents and yourself to the Plan by submitting an application within 31 days from the date of acquisition of the Dependent:

1. to continue coverage of a newborn or child placed for adoption;
2. to add a spouse after marriage or add a Domestic Partner after establishing a domestic partnership;
3. to add yourself and spouse following the birth of a newborn or placement of a child for adoption;
4. to add yourself and spouse after marriage;
5. to add yourself and your newborn or child placed for adoption, following birth or placement for adoption.

Coverage is never automatic; an application is always required.

If both partners in a marriage or domestic partnership are eligible to be Subscribers, children may be eligible and may be enrolled as a Dependent of either parent, but not both.

Enrolled Dependent children who would normally lose their eligibility under this Plan solely because of age, but who are incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness, or condition, may have their eligibility extended under the following conditions: (1) the child must be chiefly dependent upon the Employee for support and maintenance, and (2) the Employee must submit a Physician's written certification from the Member's Personal Physician of such disabling condition. Blue Shield or the Employer will notify you at least 90 days prior to the date the Dependent child would otherwise lose eligibility. You must submit the Physician's written certification within 60 days of the request for such information by the Employer or by Blue Shield. Proof of continuing disability and dependency must be submitted by the Employee as requested by Blue Shield but not more frequently than 2 years after the initial certification and then annually thereafter.

The Employer must meet specified Employer eligibility, participation and contribution requirements to be eligible for this group Plan. See your Employer for further information.

Subject to the requirements described under the Continuation of Group Coverage provision in this booklet, if applicable, an Employee and his or her Dependents will be eligible to con-

tinue group coverage under this Plan when coverage would otherwise terminate.

## EFFECTIVE DATE OF COVERAGE

Coverage will become effective for Employees and Dependents who enroll during the initial enrollment period at 12:01 a.m. Pacific Time on the eligibility date established by your Employer.

If, during the initial enrollment period, you have included your eligible Dependents on your application to Blue Shield, their coverage will be effective on the same date as yours. If application is made for Dependent coverage within 31 days after you become eligible, their effective date of coverage will be the same as yours.

If you or your Dependent is a Late Enrollee, your coverage will become effective the earlier of, 12 months from the date you made a written request for coverage or at the Employer's next Open Enrollment Period. Blue Shield will not consider applications for earlier effective dates.

If you declined coverage for yourself and your Dependents during the initial enrollment period because you or your Dependents were covered under another employer health plan, and you or your Dependents subsequently lost coverage under that plan, you will not be considered a Late Enrollee. Coverage for you and your Dependents under this Plan will become effective on the date of loss of coverage, provided you enroll in this Plan within 31 days from the date of loss of coverage. You will be required to furnish Blue Shield written evidence of loss of coverage.

If you declined enrollment during the initial enrollment period and subsequently acquire Dependents as a result of marriage, establishment of domestic partnership, birth or placement for adoption, you may request enrollment for yourself and your Dependents within 31 days. The effective date of enrollment for both you and your Dependents will depend on how you acquire your Dependent(s):

1. For marriage or domestic partnership, the effective date will be the first day of the first month following receipt of your request for enrollment;
2. For birth, the effective date will be the date of birth;
3. For a child placed for adoption, the effective date will be the date the Subscriber, spouse, or Domestic Partner has the right to control the child's health care.

Once each Contract Year, your Employer may designate a time period as an annual Open Enrollment Period. During that time period, you and your Dependents may transfer from another health plan sponsored by your Employer to the Access+ HMO. A completed enrollment form, which also indicates the choice of Personal Physician, must be forwarded to Blue Shield within the Open Enrollment Period. Enrollment becomes effective on the first day of the month following the annual Open Enrollment Period.

Any individual who becomes eligible at a time other than during the annual Open Enrollment Period (e.g., newborn, child placed for adoption, child acquired by legal guardianship, new spouse or Domestic Partner, newly hired or newly transferred Employees) must complete an enrollment form within 31 days of becoming eligible.

Coverage for a newborn child will become effective on the date of birth. Coverage for a child placed for adoption will become effective on the date the Subscriber, spouse or Domestic Partner has the right to control the child's health care, following submission of evidence of such control (a health facility minor release report, a medical authorization form or a relinquishment form). In order to have coverage continue beyond the first 31 days without lapse, a written application must be submitted to and received by Blue Shield within 31 days. A Dependent spouse becomes eligible on the date of marriage. A Domestic Partner becomes eligible on the date a domestic partnership is established as set forth in the Definitions section of this booklet. A child acquired by legal guardianship will be eligible on the date of the court ordered guardianship.

If a court has ordered that you provide coverage for your spouse, Domestic Partner or Dependent child under your health benefit Plan, their coverage will become effective within 31 days of presentation of a court order by the district attorney, or upon presentation of a court order or request by a custodial party, as described in Section 3751.5 of the Family Code.

If you or your Dependents voluntarily discontinued coverage under this Plan and later request reinstatement, you or your Dependents will be covered the earlier of 12 months from the date of request for reinstatement or at the Employer's next Open Enrollment Period.

If the Member is receiving Inpatient care at a non-Plan facility when coverage becomes effective, the Plan will provide Benefits only for as long as the Member's medical condition prevents transfer to a Plan facility in the Member's Personal Physician Service Area, as approved by the Plan. Unauthorized continuing or follow-up care in a non-Plan facility or by non-Plan Providers is not a Covered Service.

If this Plan provides Benefits within 60 days of the date of discontinuance of the previous group health plan that was in effect with your Employer, you and all your Dependents who were validly covered under the previous group health plan on the date of discontinuance will be eligible under this Plan.

## **RENEWAL OF GROUP HEALTH SERVICE CONTRACT**

5. Employer moves out of the Service Area;

All groups will renew subject to the above.

## **PREPAYMENT FEE**

The monthly Dues for you and your Dependents are indicated in your Employer's group Contract. The initial Dues are payable on the effective date of the group Contract, and subsequent Dues are payable on the same date (called the transmittal date) of each succeeding month. Dues are payable in full on each transmittal date and must be made for all Subscribers and Dependents.

All Dues required for coverage for you and your Dependents will be handled through your Employer, and must be paid to Blue Shield of California. Payment of Dues will continue the Benefits of this group Contract up to the date immediately preceding the next transmittal date, but not thereafter.

The Dues payable under this Plan may be changed from time to time, for example, to reflect new Benefit levels. Your Employer will receive notice from the Plan of any changes in Dues at least 60 days prior to the change. Your Employer will then notify you immediately.

Note: This paragraph does not apply to a Member who is enrolled under a Contract where monthly Dues automatically increase, without notice, the first day of the month following an age change that moves the Member into the next higher age category.

## **PLAN CHANGES**

The Benefits of this Plan, including but not limited to Covered Services, Deductible, Copayment, and annual Copayment maximum amounts, are subject to change at any time. Blue Shield will provide at least 60 days' written notice of any such change.

The Member should notify the Personal Physician or the MHSA by phone within 24 hours of the commencement of the Emergency Services, or as soon as it is medically possible for the Member to provide notice. The services will be reviewed retrospectively by the Plan to determine whether the services were for a medical condition for which a reasonable person would have believed that they had an emergency medical condition. The Emergency Services Copayment does not apply if the Member is admitted directly to the Hospital as an Inpatient from the emergency room.

Also, if the non-Plan Hospital is unable to determine the contact information at Blue Shield in order to request prior authorization, the non-Plan Hospital may bill you for such services. Member Copayments when applicable are paid to the Participating Hospice Agency.

Note: Hospice services provided by a non-Participating Hospice Agency are not covered except in certain circumstances in counties in California in which there are no Participating Hospice Agencies. Either Homemaker Services or Home Health Aide Services or both may be covered on a 24-hour continuous basis during Periods of Crisis but the care provided during these periods must be predominantly nursing care.

See the Grievance Process section for information on filing a grievance, your right to seek assistance from the Department of Managed Health Care, and your rights to independent medical review.

#### **MEDICAL NECESSITY EXCLUSION**

All Services must be Medically Necessary. The fact that a Physician or other provider may prescribe, order, recommend, or approve a service or supply does not, in itself, make it Medically Necessary, even though it is not specifically listed as an exclusion or limitation. Blue Shield may limit or exclude Benefits for services which are not Medically Necessary.

#### **LIMITATIONS FOR DUPLICATE COVERAGE**

##### **When you are eligible for Medicare**

1. Your Blue Shield group plan will provide benefits before Medicare in the following situations:
  - a. When you are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws).
  - b. When you are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws).
  - c. When you are eligible for Medicare solely due to end-stage renal disease during the first 30 months that you are eligible to re-

ceive benefits for end-stage renal disease from Medicare.

2. Your Blue Shield group plan will provide benefits after Medicare in the following situations:
  - a. When you are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws).
  - b. When you are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws).
  - c. When you are eligible for Medicare solely due to end-stage renal disease after the first 30 months that you are eligible to receive benefits for end-stage renal disease from Medicare.
  - d. When you are retired and age 65 years or older.

When your Blue Shield group plan provides benefits after Medicare, the combined benefits from Medicare and your Blue Shield group plan may be lower but will not exceed the Medicare allowed amount. Your Blue Shield group plan Deductible and Copayments will be waived.

#### **When you are eligible for Medi-Cal**

Medi-Cal always provides benefits last.

#### **When you are a qualified veteran**

If you are a qualified veteran your Blue Shield group plan will pay the reasonable value or Blue Shield's Allowed Charges for covered Services provided to you at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, your Blue Shield group plan will pay the reasonable value or Blue Shield's Allowed Charges for covered Services provided to you at a Department of Defense facility, even if provided for conditions related to military service.

#### **When you are covered by another government agency**

If you are also entitled to benefits under any other federal or state governmental agency, or by any municipality, county or other political subdivision, the combined benefits from that coverage and your Blue Shield group plan will equal, but not exceed, what Blue Shield would have paid if you were not eligible to receive benefits under that coverage (based on the reasonable value or Blue Shield's Allowed Charges).

Contact the Member Services department at the telephone number shown at the end of this document if you have any questions about how Blue Shield coordinates your group plan benefits in the above situations.

#### **EXCEPTION FOR OTHER COVERAGE**

A Plan Provider may seek reimbursement from other third party payers for the balance of its reasonable charges for Services rendered under this Plan.

#### **CLAIMS AND SERVICES REVIEW**

Blue Shield reserves the right to review all claims and services to determine if any exclusions or other limitations apply. Blue Shield may use the services of Physician consultants, peer review committees of professional societies or Hospitals, and other consultants to evaluate claims.

#### **REDUCTIONS - THIRD PARTY LIABILITY**

If a Member is injured or becomes ill due to the act or omission of another person (a "third party"), Blue Shield, the Member's designated Medical Group, or IPA shall, with respect to Services required as a result of that injury, provide the Benefits of the Plan and have an equitable right to restitution, reimbursement or other available remedy to recover the amounts Blue Shield paid for Services provided to the Member from any recovery (defined below) obtained by or on behalf of the Member, from or on behalf of the third party responsible for the injury or illness or from uninsured/underinsured motorist coverage.

This right to restitution, reimbursement or other available remedy is against any recovery the Member receives as a result of the injury or illness, including any amount awarded to or received by way of court judgment, arbitration award, settlement or any other arrangement, from any third party or third party insurer, or from uninsured or underinsured motorist coverage, related to the illness or injury (the "Recovery"), without regard to whether the Member has been "made whole" by the Recovery. The right to restitution, reimbursement or other available remedy is with respect to that portion of the total Recovery that is due for the Benefits paid in connection with such injury or illness, calculated in accordance with California Civil Code Section 3040.

The Member is required to:

1. Notify Blue Shield, the Member's designated Medical Group or IPA in writing of any actual or potential claim or legal action which such Member expects to bring or has brought against the third party arising from the alleged acts or omissions causing the injury or illness, not later than 30 days after submitting or filing a claim or legal action against the third party; and
2. Agree to fully cooperate and execute any forms or documents needed to enforce this right to restitution, reimbursement or other available remedies; and
3. Agree in writing to reimburse Blue Shield for Benefits paid by Blue Shield from any Recovery when the Recovery is obtained from or on behalf of the third party or the insurer of the third party, or from uninsured or underinsured motorist coverage; and,
4. Provide a lien, calculated in accordance with California Civil Code Section 3040. The lien may be filed with the third party, the third party's agent or attorney, or the court, unless otherwise prohibited by law; and,
5. Periodically respond to information requests regarding the claim against the third party, and notify Blue Shield and the Member's designated Medical Group or Independent Practice Association, in writing, within 10 days after any Recovery has been obtained.

A Member's failure to comply with 1. through 5. above shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield, the Member's designated Medical Group, or IPA.

Further, if the Member receives services from a Plan Hospital for such injuries or illness, the Hospital has the right to collect from the Member the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such services when payment or reimbursement is received by the Member for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

**IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), THE MEMBER IS ALSO REQUIRED TO DO THE FOLLOWING:**

1. Ensure that any Recovery is kept separate from and not commingled with any other funds or the Member's general assets and agree in writing that the portion of any Recovery required to satisfy the lien or other right of Recovery of the plan is held in trust for the sole benefit of the plan until such time it is conveyed to Blue Shield; and,
2. Direct any legal counsel retained by the Member or any other person acting on behalf of the Member to hold that portion of the Recovery to which the plan is entitled in trust for the sole benefit of the plan and to comply with and facilitate the reimbursement to the plan of the monies owed it.

### **COORDINATION OF BENEFITS**

Coordination of Benefits is designed to provide maximum coverage for medical and Hospital Services at the lowest cost by avoiding excessive payments.

When a person who is covered under this group Plan is also covered under another group plan, or selected group, or blanket disability insurance contract, or any other contractual arrangement or any portion of any such arrangement whereby the members of a group are entitled to payment of, or reimbursement for, Hospital or medical expenses, such person will not be permitted to make a "profit" on a disability by collect-

ing benefits in excess of actual value or cost during any Contract Year.

Instead, payments will be coordinated between the plans in order to provide for “allowable expenses” (these are the expenses that are incurred for services and supplies covered under at least one of the plans involved) up to the maximum benefit value or amount payable by each plan separately.

If the covered person is also entitled to benefits under any of the conditions as outlined under the Limitations for Duplicate Coverage provision, benefits received under any such condition will not be coordinated with the Benefits of this Plan.

The following rules determine the order of benefit payments:

When the other plan does not have a coordination of benefits provision, it will always provide its benefits first. Otherwise, the plan covering the patient as an employee will provide its benefits before the plan covering the patient as a Dependent.

Except for cases of claims for a Dependent child whose parents are separated or divorced, the plan which covers the Dependent child of a person whose date of birth (excluding year of birth), occurs earlier in a Contract Year, shall determine its benefits before a plan which covers the Dependent child of a person whose date of birth (excluding year of birth), occurs later in a Contract Year. If either plan does not have the provisions of this paragraph regarding Dependents, which results either in each plan determining its benefits before the other or in each plan determining its benefits after the other, the provisions of this paragraph shall not apply, and the rule set forth in the plan which does not have the provisions of this paragraph shall determine the order of benefits.

1. In the case of a claim involving expenses for a Dependent child whose parents are separated or divorced, plans covering the child as a Dependent shall determine their respective benefits in the following order: First, the plan of the parent with custody of the child; then, if that parent has remarried, the plan of the stepparent with custody of the child; and finally the plan(s) of the parent(s) without custody of the child.
2. Notwithstanding (1.) above, if there is a court decree which otherwise establishes financial responsibility for the medical, dental or other health care expenses of the child, then the plan which covers the child as a Dependent of the parent with that financial responsibility shall determine its benefits before any other plan which covers the child as a Dependent child.
3. If the above rules do not apply, the plan which has covered the patient for the longer period of time shall determine its benefits first, provided that:
  - a. a plan covering a patient as a laid-off or retired employee, or as a Dependent of such an employee, shall determine its benefits after any other plan covering that person as an employee, other than a laid-off or retired employee, or such Dependent; and,

- b. if either plan does not have a provision regarding laid-off or retired employees, which results in each plan determining its benefits after the other, then the provisions of (a.) above shall not apply.

If this Plan is the primary carrier with respect to a covered person, then this Plan will provide its Benefits without reduction because of benefits available from any other plan.

When this Plan is secondary in the order of payments, and Blue Shield is notified that there is a dispute as to which plan is primary, or that the primary plan has not paid within a reasonable period of time, this Plan will provide the Benefits that would be due as if it were the primary plan, provided that the covered person (1) assigns to Blue Shield the right to receive benefits from the other plan to the extent of the difference between the value of the Benefits which Blue Shield actually provides and the value of the Benefits that Blue Shield would have been obligated to provide as the secondary plan, (2) agrees to cooperate fully with Blue Shield in obtaining payment of benefits from the other plan, and (3) allows Blue Shield to obtain confirmation from the other plan that the Benefits which are claimed have not previously been paid.

If payments which should have been made under this Plan in accordance with these provisions have been made by another plan, Blue Shield may pay to the other plan the amount necessary to satisfy the intent of these provisions. This amount shall be considered as Benefits paid under this Plan. Blue Shield shall be fully discharged from liability under this Plan to the extent of these payments.

If payments have been made by Blue Shield in excess of the maximum amount of payment necessary to satisfy these provisions, Blue Shield shall have the right to recover the excess from any person or other entity to or with respect to whom such payments were made.

Blue Shield may release to or obtain from any organization or person any information which Blue Shield considers necessary for the purpose of determining the applicability of and implementing the terms of these provisions or any provisions of similar purpose of any other plan. Any person claiming Benefits under this Plan shall furnish Blue Shield with such information as may be necessary to implement these provisions.

## **TERMINATION OF BENEFITS AND CANCELLATION PROVISIONS**

### **TERMINATION OF BENEFITS**

Coverage for you or your Dependents terminates at 11:59 p.m. Pacific Time on the earliest of these dates: (1) the date the Group Health Service Contract is discontinued, (2) the first day of the month following the month in which the Subscriber’s employment terminates, unless a different date has been agreed to between Blue Shield and your Employer, (3) the date as indicated in the Notice Confirming Termination of Coverage that is sent to the Employer (see Cancellation for

Non-Payment of Dues - Notices), or (4) on the first day of the month following the month in which you or your Dependents become ineligible. A spouse also becomes ineligible following legal separation from the Subscriber, entry of a final decree of divorce, annulment, or dissolution of marriage from the Subscriber. A Domestic Partner becomes ineligible upon termination of the domestic partnership.

Except as specifically provided under the Extension of Benefits and Group Continuation Coverage provisions, there is no right to receive benefits for services provided following termination of this group Contract.

If you cease work because of retirement, disability, leave of absence, temporary layoff, or termination, see your Employer about possibly continuing group coverage. Also, see the Group Continuation Coverage and Individual Conversion Plan section for information on continuation of coverage.

If your Employer is subject to the California Family Rights Act of 1991 and/or the federal Family and Medical Leave Act of 1993, and the approved leave of absence is for family leave under the terms of such Act(s), your payment of Dues will keep your coverage in force for such period of time as specified in such Act(s). Your Employer is solely responsible for notifying you of the availability and duration of family leaves.

If application is not made for a newborn or a child placed for adoption within the 31 days following that Dependent's effective date of coverage, Benefits under this Plan will be terminated on the 31<sup>st</sup> day at 11:59 p.m. Pacific Time.

If the Subscriber no longer lives or works in the Plan Service Area, coverage will be terminated for him and all his Dependents. If a Dependent no longer lives or works in the Plan Service Area, then that Dependent's coverage will be terminated. (Special arrangements may be available for Dependents who are full-time students or do not live in the Subscriber's home. Please contact the Member Services Department to request an Away From Home Care<sup>®</sup> Program Brochure which explains these arrangements.)

Additionally, the Plan may terminate coverage of a Member for cause immediately upon written notice for the following:

1. Material information that is false or misrepresented information provided on the enrollment application or given to the group or the Plan; see the Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact provision;
2. Permitting a non-Member to use a Member identification card to obtain Services and Benefits;
3. Obtaining or attempting to obtain Services or Benefits under the Group Health Service Contract by means of false, materially misleading, or fraudulent information, acts or omissions;
4. Abusive or disruptive behavior which: (1) threatens the life or well-being of the Plan personnel and providers of Services, or, (2) substantially impairs the ability of Blue

Shield of California to arrange for Services to the Member, or, (3) substantially impairs the ability of providers of Service to furnish Services to the Member or to other patients.

The Plan may also terminate coverage of a Member for cause upon 31 days written notice for the following:

1. Inability to establish a satisfactory Physician-patient relationship after following the procedures under Relationship with Your Personal Physician in the Choice of Physicians and Providers section;
2. Failure to pay any Copayment or supplemental charge.

## **REINSTATEMENT**

If you had been making contributions toward coverage for you and your Dependents and voluntarily cancelled such coverage, you may apply for reinstatement. You or your Dependents must wait until the earlier of, 12 months from the date of application or at the Employer's next Open Enrollment Period to be reinstated. Blue Shield will not consider applications for earlier effective dates.

## **CANCELLATION WITHOUT CAUSE**

The group Contract may be cancelled by your Employer at any time provided written notice is given to Blue Shield to become effective upon receipt, or on a later date as may be specified on the notice.

## **CANCELLATION FOR NON-PAYMENT OF DUES - NOTICES**

Blue Shield may cancel this group Contract for non-payment of Dues.

If your Employer fails to pay the required Dues when due, coverage will end 31 days after the date for which Dues are due. Your Employer will be liable for all Dues accrued while this Plan continues in force including those accrued during the 31-day grace period.

Blue Shield of California will mail your Employer a Notice Confirming Termination of Coverage. Your Employer must provide you with a copy of the Notice Confirming Termination of Coverage.

In addition, Blue Shield of California will send you a HIPAA certificate which will state the date on which your coverage terminated, the reason for the termination, and the number of months of creditable coverage which you have. The certificate will also summarize your rights for continuing coverage on a guaranteed issue basis under HIPAA and on Blue Shield of California's conversion plan. For more information on conversion coverage and your rights to HIPAA coverage, please see the paragraph on Availability of Blue Shield of California Individual Plans.

## **CANCELLATION/RESCISSION FOR FRAUD OR INTENTIONAL MISREPRESENTATIONS OF MATERIAL FACT**

Blue Shield may cancel or rescind the group Contract for fraud or intentional misrepresentation of material fact by your Employer, or with respect to coverage of Employees or Dependents, for fraud or intentional misrepresentation of material fact by the Employee, Dependent, or their representative.

If you are hospitalized or undergoing treatment for an ongoing condition and the group Contract is cancelled for any reason, including non-payment of Dues, no Benefits will be provided unless you obtain an Extension of Benefits.

Fraud or intentional misrepresentations of material fact on an application or a health statement (if a health statement is required by the Employer) may, at the discretion of Blue Shield, result in the cancellation or rescission of this Plan. Cancellations are effective on receipt or on such later date as specified in the cancellation notice. A rescission voids the Contract retroactively as if it was never effective; Blue Shield will provide written notice prior to any rescission.

In the event the Contract is rescinded or cancelled, either by Blue Shield or your Employer, it is your Employer's responsibility to notify you of the rescission or cancellation.

### **RIGHT OF CANCELLATION**

If you are making any contributions toward coverage for yourself or your Dependents, you may cancel such coverage to be effective at the end of any period for which Dues have been paid.

If your Employer does not meet the applicable eligibility, participation and contribution requirements of the group contract, Blue Shield of California will cancel this Plan after 30 days' written notice to your Employer.

Any Dues paid Blue Shield for a period extending beyond the cancellation date will be refunded to your Employer. Your Employer will be responsible to Blue Shield for unpaid Dues prior to the date of cancellation.

Blue Shield will honor all claims for Covered Services provided prior to the effective date of cancellation.

See the Cancellation/Rescission for Fraud or Intentional Misrepresentations of Material Fact provision for termination for fraud or intentional misrepresentations of material fact.

## **GROUP CONTINUATION COVERAGE AND INDIVIDUAL CONVERSION PLAN**

### **INDIVIDUAL CONVERSION PLAN**

Regardless of age, physical condition or employment status, you may continue Blue Shield protection when you retire, leave the job or become ineligible for group coverage. If you have held group coverage for 3 or more consecutive months, you and your enrolled Dependents may apply to transfer to an individual conversion health plan then being issued by Blue Shield. Your Employer is solely responsible for notifying you of the availability, terms and conditions of the individual conversion plan within 15 days of termination of the Contract's coverage.

An application and first Dues payment for the conversion plan must be received by Blue Shield within 63 days of the date of termination of your group coverage. However, if the group Contract is replaced by your Employer with similar coverage under another contract within 15 days, transfer to the individual conversion health plan will not be permitted. You will not be permitted to transfer to the individual conversion plan under any of the following circumstances:

1. You failed to pay amounts due the Plan;
2. You were terminated by the Plan for good cause or for fraud or misrepresentation;
3. You knowingly furnished incorrect information or otherwise improperly obtained the Benefits of the Plan;
4. You are covered or eligible for Medicare;
5. You are covered or eligible for Hospital, medical or surgical benefits under state or federal law or under any arrangement of coverage for individuals in a group, whether insured or self-insured; and,
6. You are covered for similar benefits under an individual policy or contract.

Benefits or rates of an individual conversion health plan are different from those in your group Plan.

An individual conversion health Plan is also available to:

1. Dependents, if the Subscriber dies;
2. Dependents who marry or exceed the maximum age for Dependent coverage under the group Plan;
3. Dependents, if the Subscriber enters military service;
4. Spouse or Domestic Partner of a Subscriber, if their marriage or domestic partnership has terminated;
5. Dependents, when continuation of coverage under COBRA and/or Cal-COBRA expires, or is terminated.

When a Dependent reaches the limiting age for coverage as a Dependent, or if a Dependent becomes ineligible for any of the other reasons given above, it is your responsibility to inform Blue Shield. Upon receiving notification, Blue Shield will offer such Dependent an individual conversion health plan for purposes of continuous coverage.

## **GUARANTEED ISSUE INDIVIDUAL COVERAGE**

Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and under California law, you may be entitled to apply for certain of Blue Shield's individual health plans on a guaranteed issue basis (which means that you will not be rejected for underwriting reasons if you meet the other eligibility requirements, you live or work in Blue Shield's Service Area and you agree to pay all required Dues). You may also be eligible to purchase similar coverage on a guaranteed issue basis from any other health plan that sells individual coverage for hospital, medical or surgical benefits. Not all Blue Shield individual plans are available on a guaranteed issue basis under HIPAA. To be eligible, you must meet the following requirements:

- You must have at least 18 or more months of creditable coverage.
- Your most recent coverage must have been group coverage (COBRA and Cal-COBRA are considered group coverage for these purposes).
- You must have elected and exhausted all COBRA and/or Cal-COBRA coverage that is available to you.
- You must not be eligible for nor have any other health insurance coverage, including a group health plan, Medicare or Medi-Cal.
- You must make application to Blue Shield for guaranteed issue coverage within 63 days of the date of termination from the group plan.

If you elect Conversion Coverage, Continuation of Group Coverage After COBRA and/or Cal-COBRA, or other Blue Shield individual plans, you will waive your right to this guaranteed issue coverage. For more information, contact a Blue Shield Member Services representative at the telephone number noted on your ID Card.

## **EXTENSION OF BENEFITS**

If a person becomes Totally Disabled while validly covered under this Plan and continues to be Totally Disabled on the date the group Contract terminates, Blue Shield will extend the Benefits of this Plan, subject to all limitations and restrictions, for Covered Services and supplies directly related to the condition, illness or injury causing such Total Disability until the first to occur of the following: (1) the date the covered person is no longer Totally Disabled; (2) 12 months from the date the group Contract terminated; (3) the date on which the covered person's maximum Benefits are reached; (4) the date

on which a replacement carrier provides coverage to the person without limitation as to the Totally Disabling condition.

Written certification of the Member's Total Disability should be submitted to Blue Shield by the Member's Personal Physician as soon as possible after the Group Health Service Contract terminates. Proof of continuing Total Disability must be furnished by the Member's Personal Physician at reasonable intervals determined by Blue Shield.

## **GROUP CONTINUATION COVERAGE**

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

Applicable to Members when the Subscriber's Employer (Contractholder) is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended or the California Continuation Benefits Replacement Act (Cal-COBRA). The Subscriber's Employer should be contacted for more information.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) as amended and the California Continuation Benefits Replacement Act (Cal-COBRA), a Member will be entitled to elect to continue group coverage under this Plan if the Member would lose coverage otherwise because of a Qualifying Event that occurs while the Contractholder is subject to the continuation of group coverage provisions of COBRA or Cal-COBRA.

The Benefits under the group continuation of coverage will be identical to the Benefits that would be provided to the Member if the Qualifying Event had not occurred (including any changes in such coverage).

Note: A Member will not be entitled to benefits under Cal-COBRA if at the time of the qualifying event such Member is entitled to benefits under Title XVIII of the Social Security Act ("Medicare") or is covered under another group health plan that provides coverage without exclusions or limitations with respect to any pre-existing condition. Under COBRA, a Member is entitled to benefits if at the time of the qualifying event such Member is entitled to Medicare or has coverage under another group health plan. However, if Medicare entitlement or coverage under another group health plan arises after COBRA coverage begins, it will cease.

## **Qualifying Event**

A Qualifying Event is defined as a loss of coverage as a result of any one of the following occurrences:

1. With respect to the Subscriber:
  - a. the termination of employment (other than by reason of gross misconduct); or

- b. the reduction of hours of employment to less than the number of hours required for eligibility.
2. With respect to the Dependent spouse or Dependent Domestic Partner\* and Dependent children (children born to or placed for adoption with the Subscriber or Domestic Partner during a COBRA or Cal-COBRA continuation period may be added as Dependents, provided the Contractholder is properly notified of the birth or placement for adoption, and such children are enrolled within 30 days of the birth or placement for adoption):
    - \*Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.
    - a. the death of the Subscriber; or
    - b. the termination of the Subscriber's employment (other than by reason of such Subscriber's gross misconduct); or
    - c. the reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility; or
    - d. the divorce or legal separation of the Dependent spouse from the Subscriber or termination of the domestic partnership; or
    - e. the Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare"); or
    - f. a Dependent child's loss of Dependent status under this Plan.
  3. For COBRA only, with respect to a Subscriber who is covered as a retiree, that retiree's Dependent spouse and Dependent children, when the Employer files for reorganization under Title XI, United States Code, commencing on or after July 1, 1986.
  4. Such other Qualifying Event as may be added to Title X of COBRA or the California Continuation Benefits Replacement Act (Cal-COBRA).

## Notification of a Qualifying Event

1. With respect to COBRA enrollees:

The Member is responsible for notifying the Employer of divorce, legal separation, or a child's loss of Dependent status under this Plan, within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event.

The Employer is responsible for notifying its COBRA administrator (or Plan administrator if the Employer does not have a COBRA administrator) of the Subscriber's death, termina-

tion, or reduction of hours of employment, the Subscriber's Medi

care entitlement, or the Employer's filing for reorganization under Title XI, United States Code.

When the COBRA administrator is notified that a Qualifying Event has occurred, the COBRA administrator will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this Plan.

The Member must then notify the COBRA administrator within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event.

If the Member does not notify the COBRA administrator within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

2. With respect to Cal-COBRA enrollees:

The Member is responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership or a child's loss of Dependent status under this Plan. Such notice must be given within 60 days of the date of the later of the Qualifying Event or the date on which coverage would otherwise terminate under this Plan because of a Qualifying Event. Failure to provide such notice within 60 days will disqualify the Member from receiving continuation coverage under Cal-COBRA.

The Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the Qualifying Event.

When Blue Shield is notified that a Qualifying Event has occurred, Blue Shield will, within 14 days, provide written notice to the Member by first class mail of the Member's right to continue group coverage under this Plan. The Member must then give Blue Shield notice in writing of the Member's election of continuation coverage within 60 days of the later of (1) the date of the notice of the Member's right to continue group coverage or (2) the date coverage terminates due to the Qualifying Event. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If the Member does not notify Blue Shield within 60 days, the Member's coverage will terminate on the date the Member would have lost coverage because of the Qualifying Event.

If this Plan replaces a previous group plan that was in effect with the Employer, and the Member had elected Cal-COBRA continuation coverage under the previous plan, the Member may choose to continue to be covered by this Plan for the balance of the period that the Member could have continued to be covered under the previous plan, provided that the Member notify Blue Shield within 30 days of receiving notice of the termination of the previous group plan.

## **Duration and Extension of Continuation of Group Coverage**

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this Plan for up to a maximum of 36 months regardless of the type of Qualifying Event.

COBRA enrollees who reach the 18-month or 29-month maximum available under COBRA, may elect to continue coverage under Cal-COBRA for a maximum period of 36 months from the date the Member's continuation coverage began under COBRA. If elected, the Cal-COBRA coverage will begin after the COBRA coverage ends.

Note: COBRA enrollees must exhaust all the COBRA coverage to which they are entitled before they can become eligible to continue coverage under Cal-COBRA.

In no event will continuation of group coverage under COBRA, Cal-COBRA or a combination of COBRA and Cal-COBRA be extended for more than 3 years from the date the Qualifying Event has occurred which originally entitled the Member to continue group coverage under this Plan.

Note: Domestic Partners and Dependent children of Domestic Partners cannot elect COBRA on their own, and are only eligible for COBRA if the Subscriber elects to enroll. Domestic Partners and Dependent children of Domestic Partners may elect to enroll in Cal-COBRA on their own.

## **Notification Requirements**

The Employer or its COBRA administrator is responsible for notifying COBRA enrollees of their right to possibly continue coverage under Cal-COBRA at least 90 calendar days before their COBRA coverage will end. The COBRA enrollee should contact Blue Shield for more information about continuing coverage. If the enrollee elects to apply for continuation of coverage under Cal-COBRA, the enrollee must notify Blue Shield at least 30 days before COBRA termination.

## **Payment of Dues**

Dues for the Member continuing coverage shall be 102 percent of the applicable group dues rate if the Member is a COBRA enrollee or 110 percent of the applicable group dues rate if the Member is a Cal-COBRA enrollee, except for the Member who is eligible to continue group coverage to 29 months because of a Social Security disability determination, in which case, the dues for months 19 through 29 shall be 150 percent of the applicable group dues rate.

Note: For COBRA enrollees who are eligible to extend group coverage under COBRA to 29 months because of a Social Security disability determination, dues for Cal-COBRA coverage shall be 110 percent of the applicable group dues rate for months 30 through 36.

If the Member is enrolled in COBRA and is contributing to the cost of coverage, the Employer shall be responsible for collecting and submitting all dues contributions to Blue

Shield in the manner and for the period established under this Plan.

Cal-COBRA enrollees must submit dues directly to Blue Shield of California. The initial dues must be paid within 45 days of the date the Member provided written notification to the Plan of the election to continue coverage and be sent to Blue Shield by first-class mail or other reliable means. The dues payment must equal an amount sufficient to pay any required amounts that are due. Failure to submit the correct amount within the 45-day period will disqualify the Member from continuation coverage.

## **Effective Date of the Continuation of Coverage**

The continuation of coverage will begin on the date the Member's coverage under this Plan would otherwise terminate due to the occurrence of a Qualifying Event and it will continue for up to the applicable period, provided that coverage is timely elected and so long as dues are timely paid.

## **Termination of Continuation of Group Coverage**

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

1. discontinuance of this Group Health Service Contract (if the Employer continues to provide any group benefit plan for Employees, the Member may be able to continue coverage with another plan);
2. failure to timely and fully pay the amount of required dues to the COBRA administrator or the Employer or to Blue Shield of California as applicable. Coverage will end as of the end of the period for which dues were paid;
3. the Member becomes covered under another group health plan that does not include a pre-existing condition exclusion or limitation provision that applies to the Member;
4. the Member becomes entitled to Medicare;
5. the Member no longer resides in Blue Shield's Service Area;
6. the Member commits fraud or deception in the use of the Services of this Plan.

Continuation of group coverage in accordance with COBRA or Cal-COBRA will not be terminated except as described in this provision. In no event will coverage extend beyond 36 months.

## **CONTINUATION OF GROUP COVERAGE FOR MEMBERS ON MILITARY LEAVE**

Continuation of group coverage is available for Members on military leave if the Member's Employer is subject to the

Uniformed Services Employment and Re-employment Rights Act (USERRA). Members who are planning to enter the Armed Forces should contact their Employer for information about their rights under the USERRA. Employers are responsible to ensure compliance with this act and other state and federal laws regarding leaves of absence including the California Family Rights Act, the Family and Medical Leave Act, and Labor Code requirements for Medical Disability.

## **CONTINUATION OF GROUP COVERAGE AFTER COBRA AND/OR CAL-COBRA**

The following section only applies to enrollees who became eligible for Continuation of Group Coverage After COBRA and/or Cal-COBRA prior to January 1, 2005:

Certain former Employees and their Dependent spouses or Dependent Domestic Partners (including a spouse who is divorced from the current Employee/former Employee and/or a spouse who was married to the Employee/former Employee at the time of that Employee/former Employee's death, or a Domestic Partner whose partnership with the current Employee/former Employee has terminated and/or a Domestic Partner who was in a Domestic Partner relationship with the Employee/former Employee at the time of that Employee/former Employee's death) may be eligible to continue group coverage beyond the date their COBRA and/or Cal-COBRA coverage ends. Blue Shield will offer the extended coverage to former Employees of employers that are subject to the existing COBRA or Cal-COBRA, and to the former Employees' Dependent spouses, including divorced or widowed spouses as defined above, or Dependent Domestic Partners, including surviving Domestic Partners or Domestic Partners whose partnership was terminated as defined above. This coverage is subject to the following conditions:

1. The former Employee worked for the Employer for the prior 5 years and was 60 years of age or older on the date his/her employment ended.

3. The former Employee was eligible for and elected COBRA and/or Cal-COBRA for himself and his Dependent Domestic Partner (a former Domestic Partner, i.e., a surviving Domestic Partner or Domestic Partner whose partnership has been terminated as defined above, is also eligible for continuation of group coverage after COBRA and/or Cal-COBRA).

Items 1., 2. and 3. above are not applicable to a former spouse or former Domestic Partner electing continuation coverage. The former spouse or former Domestic Partner must elect such coverage by notifying the Plan in writing within 30 calendar days prior to the date that the former spouse's or former Domestic Partner's initial COBRA and/or Cal-COBRA benefits are scheduled to end.

If elected, this coverage will begin after the COBRA and/or Cal-COBRA coverage ends and will be administered under the same terms and conditions as if COBRA and/or Cal-COBRA had remained in force.

For Members who transfer to this coverage from COBRA, dues for this coverage shall be 213 percent of the applicable group dues rate, or 102 percent of the applicable age adjusted group dues rate. For Members who transfer to this coverage from Cal-COBRA, dues for this coverage shall be 213 percent of the applicable group dues rate, or 110 percent of the applicable age adjusted group dues rate. The Member, a designated representative, or a provider on behalf of the Member may also initiate a grievance by submitting a letter or a completed "Grievance Form". The Member may request this form from Member Services. The completed form should be submitted to Member Services Appeals and Grievance, P.O. Box 5588, El Dorado Hills, CA 95762-0011. The Member may also submit the grievance online by visiting <http://www.blueshieldca.com>.

See the previous Member Services section for information on the expedited decision process.

Note: If your Employer's health Plan is governed by the Employee Retirement Income Security Act ("ERISA"), you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved. Additionally, you and your plan may have other voluntary alternative dispute resolution options, such as mediation.

## **EXTERNAL INDEPENDENT MEDICAL REVIEW**

If your grievance involves a claim or services for which coverage was denied by Blue Shield or by a contracting Provider in whole or in part on the grounds that the service is not Medically Necessary or is Experimental/Investigational (including the external review available under the Friedman-Kowles Experimental Treatment Act of 1996), you may choose to make a request to the Department of Managed Health Care to have the matter submitted to an independent

agency for external review in accordance with California law. You normally must first submit a grievance to Blue Shield and wait for at least 30 days before you request external review; however, if your matter would qualify for an expedited decision as described above or involves a determination that the requested service is Experimental/Investigational, you may immediately request an external review following receipt of notice of denial. You may initiate this review by completing an application for external review, a copy of which can be obtained by contacting Member Services. The Department of Managed Health Care will review the application and, if the request qualifies for external review, will select an external review agency and have your records submitted to a qualified specialist for an independent determination of whether the care is Medically Necessary. You may choose to submit additional records to the external review agency for review. There is no cost to you for this external review. You and your Physician will receive copies of the opinions of the external review agency. The decision of the external review agency is binding on Blue Shield; if the external reviewer determines that the service is Medically Necessary, Blue Shield will promptly arrange for the Service to be provided or the claim in dispute to be paid. This external review process is in addition to any other procedures or remedies available to you and is completely voluntary on your part; you are not obligated to request external review. However, failure to participate in external review may cause you to give up any statutory right to pursue legal action against Blue Shield regarding the disputed service. For more information regarding the external review process, or to request an application form, please contact Member Services.

## DEPARTMENT OF MANAGED HEALTH CARE REVIEW

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health Plan, you should first telephone your health Plan **at the number provided on the last page of this booklet** and use your health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health Plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's Internet

Web site (<http://www.hmohelp.ca.gov>) has complaint forms, IMR application forms and instructions online.

In the event that Blue Shield should cancel or refuse to renew the enrollment for you or your Dependents and you feel that such action was due to health or utilization of Benefits, you or your Dependents may request a review by the Department of Managed Health Care Director.

Blue Shield of California has contracted with a Mental Health Services Administrator (MHSA) to administer and deliver the Substance Abuse Condition Services described in this Supplement. Prior authorization by the MHSA is required for admittance in an Inpatient Residential Substance Abuse Program. Inpatient Residential Substance Abuse Program services received from a Provider who does not participate in the MHSA Participating Provider network are not covered and all charges for these services will be the Member's responsibility.

In addition to the benefits listed in your Blue Shield Access+HMO Evidence of Coverage and Disclosure Form, your plan provides coverage for Substance Abuse Condition Services as described in this Supplement. All Services must be Medically Necessary. For a definition of Substance Abuse Condition, see the Definitions section of your booklet. All Non-Emergency Substance Abuse Condition Services must be obtained from an MHSA Participating Provider.

This Supplemental Benefit does not include Inpatient Services which are Medically Necessary to treat the acute medical complications of detoxification, which are covered as part of the medical Benefits of your health Plan and not considered to be treatment of the Substance Abuse Condition itself.

Blue Shield of California has contracted with a Mental Health Services Administrator (MHSA) to administer and deliver Mental Health Services as well as the Substance Abuse Condition Services described in this Supplement. These Services are provided through a separate network of MHSA Participating Providers.

Note that MHSA Participating Providers are only those Providers who participate in the MHSA network and have contracted with the MHSA to provide substance abuse Services to Blue Shield Subscribers. A Blue Shield Preferred/Participating Provider may not be an MHSA Participating Provider. MHSA Participating Providers agree to accept

the MHSA's payment, plus your Copayment, as payment-in-full for covered substance abuse Services. This is not true of MHSA Non-Participating Providers; therefore, it is to your advantage to obtain substance abuse Services from MHSA Participating Providers.

It is your responsibility to ensure that the Provider you select for substance abuse Services is an MHSA Participating Provider. MHSA Participating Providers are indicated in the Blue Shield of California Behavioral Health Provider Directory. For questions about these Substance Abuse Condition Benefits, or for assistance in selecting an MHSA Participating Provider, Members should call the MHSA at 1-877-263-9952.

Prior authorization by the MHSA is required for all Non-Emergency Substance Abuse Condition Services.

Prior to obtaining the Substance Abuse Condition Services, you or your Physician must call the MHSA at 1-877-263-9952 to obtain prior authorization.

Failure to obtain prior authorization or to follow the recommendations of the MHSA or Blue Shield for Non-Emergency Substance Abuse Condition Services will result in non-payment of services by Blue Shield.

Benefits are provided for Medically Necessary Services for Substance Abuse Condition, as defined in your booklet, and as specified in this Supplement.
